12°
50°

IP20

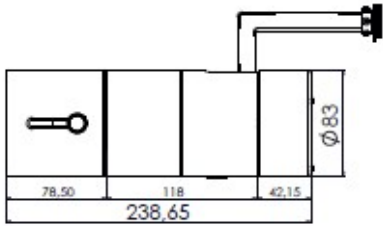

The NIKA27 features a family of a new generation of museum dynamic and intelligent projectors which can work as standalone or on a bus. The projector can be actively monitored by sensors to adapt the lighting of a target,

LEDs

Custom module WW-CW
Power 18W
Projector Flux Tunable 1000 lm
Mono color 2000l m
White control 2700—5700°K
CRI 95
R8 (red) 85%

CONTROL

Interface DALI/ DMX / DIM
Colour control RGB sensor

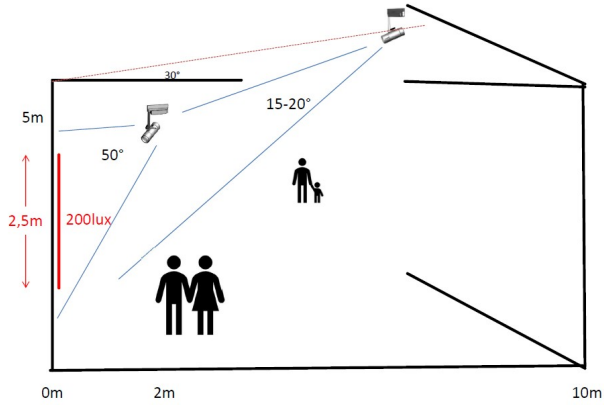

OPTICS

Variable beam 12-50°

MECHANICS

Body Aluminium
Black White Grey
Track Mount
Weight 1,5Kg
Cooling passiv

PART NO.	DESCRIPTION
271A1015-1B	Nika 27 27-5790 DALI variable beam 12-50° Black
271A2015-1W	Nika 27 27-5790 DMX variable beam 12-50° White
271A3015-1S	Nika 27 27-5790 DIM variable beam 12-50° Silver

Variable beam from 12 to 50°

Variable beam 12-50°
Flux at 2m: 12°: 4200lux
50°: 400 lux

Twice as much in mono-color
as WALL WASHER
